

Aurora Turners Sports - Free Agent List

The Aurora Turners Sports program receives several inquiries from individual players (Free Agents) like you on a daily basis. Unfortunately, we only process team registrations for the Adult Softball, Volleyball, Floor Hockey and Basketball leagues. The Free Agent list is a compilation of member names of players that are also trying to get on a team. To sign up for the Free Agents List, please submit your contact information in the form below. This information will be handed out to team managers. If you are not a member of the Aurora Turners Club you are not eligible to be put on the “free agent list”. This is a “perk” for membership only.
